THORO
SPIS TREŚCI
/ TABLE OF CONTENTS

Inspiracja nowoczesnym designem i skandynawskim minimalizmem w połączeniu z 20-letnim doświadczeniem zdobytym na rynku oświetleniowym dały początek marce THORO.

Naszym głównym celem było stworzenie kolekcji opraw, spełniających oczekiwania wymagających klientów, którzy w aranżacji wnętrz kierują się oryginalnymi rozwiązaniami, niepowtarzalnym wzornictwem i znakomitą jakością. W poszukiwaniach wyjątkowych form i kształtów wsparł nas swoim doświadczeniem i kreatywnością artysta Łukasz Kwietniewski. THORO to nie tylko rodzime wzornictwo ale i rzemiosło - nasze lampy w całości wykonywane są w Polsce.

THORO

Inspiration with modern design and Scandinavian minimalism combined with 20 years of experience gained in the lighting market gave rise to THORO brand.

Our main goal was to create a collection of lighting projects that meet expectations of demanding customers who, when it comes to interior design, are guided by original solutions, unique appearance and excellent quality. In the search for unusual forms and shapes, we were supported by the experience and creativity of the artist Łukasz Kwietniewski. THORO means not only domestic design but also craftsmanship - our lamps are entirely produced in Poland.

Łukasz Kwietniewski

Architekt wnętrz z międzynarodowym doświadczeniem. Mieszka i pracuje w Warszawie. Właściciel autorskiej pracowni. Wraz ze swoim zespołem realizuje projekty domów, apartamentów, biur a także ekskluzywnych butików.

Jego projekty cechuje funkcjonalność, nowoczesność i dbałość o detal. Zamiłowanie do scenografii zainspirowało go do stworzenia projektów lamp, które wyróżnia nie tylko unikalny design, ale przede wszystkim możliwość stworzenia niepowtarzalnej atmosfery w każdym wnętrzu.

A to wszystko z potrzeby kreowania piękna.

THORO

Interior designer with international experience. He lives in Warsaw, where he also works in his own studio. Together with his team, he implements projects of houses, flats, offices and exclusive boutiques.

His designs are characterised by functionality, modernity, and attention to detail. His passion for scenography inspired him to create lamp designs, which are distinguished not only by their unique design, but above all by their ability to create a unique atmosphere in every interior.

All this comes from the need to create beauty.
